

Chipsmall Limited consists of a professional team with an average of over 10 year of expertise in the distribution of electronic components. Based in Hongkong, we have already established firm and mutual-benefit business relationships with customers from, Europe, America and south Asia, supplying obsolete and hard-to-find components to meet their specific needs.

With the principle of "Quality Parts, Customers Priority, Honest Operation, and Considerate Service", our business mainly focus on the distribution of electronic components. Line cards we deal with include Microchip, ALPS, ROHM, Xilinx, Pulse, ON, Everlight and Freescale. Main products comprise IC, Modules, Potentiometer, IC Socket, Relay, Connector. Our parts cover such applications as commercial, industrial, and automotives areas.

We are looking forward to setting up business relationship with you and hope to provide you with the best service and solution. Let us make a better world for our industry!

## LUMOTAST 75 IP40 - Keylock switch, rectangular collar, 1 NC + 1 NO, latching

1.15.108.571/0100

Included: 2 keys.

Other lock variants and contacts available on request.

| General information          |                            |
|------------------------------|----------------------------|
| Color of collar              | black                      |
| Form of collar               | rectangular                |
|                              |                            |
| Dimensions                   |                            |
| Length of collar             | 18 mm                      |
| Width of collar              |                            |
| Overall height (without key) | 7.5 mm                     |
| Mounting depth               | 41.5 mm                    |
| Mounting hole                | 16.2 mm                    |
| Mechanical design            |                            |
| Mounting                     | ring nut                   |
| Terminals                    | solder terminals           |
| Contact system               | snap-action bridge contact |
| Contact function             | latching                   |
| Contact arrangement          | 1 NC + 1 NO                |
| Contact materials            | Ag                         |
| Illumination                 | no                         |
| Lock                         | cylinder lock              |
| Wafers                       | 4 pins                     |
| Lock type                    | 1D 21                      |
| Number of locking positions  | 45                         |
| Main key                     | no                         |
| Symmetric key                | no                         |
| Key removal position         | 0                          |
| Mechanical characteristics   |                            |
| Rotating angle               | 90°                        |
|                              |                            |
| Electrical characteristics   |                            |
| Rated voltage AC max.        | 250 V                      |
| Rated voltage DC max.        | 230 V                      |
| Rated voltage AC/DC min.     | 12 V                       |
| Rated current AC max.        | 4 A                        |
| Rated current DC max.        | 0,2 A                      |
| Rated current AC/DC min.     | _5 mA                      |

| Contact resistance acc. to life max.      | 200 mΩ                                   |
|---|--|
| ESD-strength min.                         | 14 kV                                    |
|   |  |
| Other specifications                      |  |
| Operating life, at 250 V/2 A (operations) | 50,000 (momentary)                       |
| Operating life, at 250 V/4 A (operations) | 50,000 (momentary)                       |
| Degree of protection from front side      | IP40 (DIN EN 60529)                      |
| Operation temperature min.                | -25 °C                                   |
| Ambient temp. operating max.              | +70 °C                                   |
| Storage temperature min.                  | -40 °C                                   |
| Storage temperature max.                  | +80 °C                                   |
| Environmental restistance                 | acc. to IEC 60068-2-14, -30, -33 and -78 |
| Weight                                    | 35 g                                     |
| Flame class acc. to UL 94                 | V 1                                      |
| Hot wire ignition acc. to IEC 60695-2-1   | yes                                      |
| ROHS compliant                            | yes                                      |
| REACH compliant                           | yes                                      |
