Protective hose - WR/M40-25M - 1644889

Please be informed that the data shown in this PDF Document is generated from our Online Catalog. Please find the complete data in the user's documentation. Our General Terms of Use for Downloads are valid (<http://phoenixcontact.com/download>)

Protective hose, for protective house screw connection, packing volume: 25 m, M40

The illustration shows the version WR/PG16-50M

Key Commercial Data

Packing unit	1 STK
GTIN	 4 017918 911195
GTIN	4017918911195

Technical data

Ambient conditions

Ambient temperature (operation)	-40 °C ... 110 °C
---------------------------------	-------------------

General

Material	PA
Flammability rating according to UL 94	HB
Color	black
Bending radius, static	90.00 mm

Standards and Regulations

Flammability rating according to UL 94	HB
----------------------------------------	----

Drawings

Protective hose - WR/M40-25M - 1644889

Dimensional drawing

Assembly instructions for M40 corrugated pipe

a = Corrugated screw connection

b = Corrugated pipe

c = Opener

Installation note:

Cut the corrugated pipe in the groove to retain a round shape for insertion. The lighter seal (not depicted in the illustration) is positioned in the corrugated pipe screw connection below the safety latch. The darker outer seal (not depicted in the illustration) is placed over the corrugated pipe screw connection from outside. The corrugated pipe is then pushed as far as possible into the corrugated pipe screw connection and clicks into place. The screw connection is opened by placing the yellow corrugated pipe opener with force between the safety latch and the corrugated tube and the corrugated pipe is then pulled out.
