One terminal strip for the functional unit, one plug-in connector for the cable loom fabrication. All that remains to be done is to clip the two units together during final assembly – just like a plug-in connector. Finished! Whether for railway engineering, mechanical engineering or shipbuilding applications, all are served excellently by the products of the Weidmüller Z-Series. This is because the products are easy to use and practical, and the connections are simple, reliable and quick. Modular and flexible connection systems are especially in demand where complete functional units have to be prefabricated or replaced.

General ordering data

Order No.	1878610000
Type	ZVLA DF CL ZPS2.5
Version	Z-series, Plug-in modular terminals, Yellow
GTIN (EAN)	4032248471584
Qty.	20 pc(s).
