#### Technical Data

Equipped with next generation, surface mount LEDs, these innovative designs create the new standard for illuminated magnifiers. Your investment in new technology quickly pays for itself through energy savings. Made in the USA.

#### Lighting Features

Highest lumen output in a lighted magnifier

Reduced glare, heat and energy consumption

Multi-angle LEDs for shadowless lighting at a full range of focal lengths and heights

User controlled LED groups shine desired level of light exactly where required

Superb dimming software via convenient, reliable membrane switch

#### Optical Features

5" Precision ground, optical grade glass

Largest lenses in the industry

Standard 3 diopter (1.75x) lens

Optional 4 (2x) and 5 diopter (2.25x) lens available

Electrical Features

Low voltage (15-24v) power supplies are auto-switchable with worldwide approvals

Plug in around the world by simply switching the end power cord

Energy Star compliant (each unit uses 4 watts maximum)

Auto shut off at 4 hour intervals to prevent energy waste while users are away

Mechanical Features

High quality die cast aluminum shades and all steel arm components for ESD safety

EZ SWIVEL® Die Cast knuckle allows for precision holding power at any angle

Patented “Elite” arms are slim but have the greatest holding power of any arm of this type in the world

Virtually “maintenance zero”

Warranty

5 years or 50,000 hours pro-rated LED warranty

5 year mechanical warranty...best in the business

Name	Green-Lite® - 5" Round LED Magnifier - 43" Reach - Table Edge Clamp
SKU	22400-4-B
Product Line	Green-Lite®
Magnification	2x (4 Diop)
Reach	43" Reach
Mounting Style	Table Edge Clamp
Voltage	100 Volt - 240 Volt
ESD Safe	Yes

Green-Lite™ LED 42300-4
