VHDCI Connector

SKU:
240-111

Product Description

This 2x32 pin connector is perfect for all of your VHDC needs! A great way to mount your own custom VHDC module boards to a Genesys Virtex-5 FPGA or an Atlys Spartan-6. The right angle direction of this connector will provide a more stable connection to your boards. With two screw-holes on the sides to securely attach your devices, you can have a great fit to your VHDC connectors.

Features:

- 2x34 pins, male
- Right angle type for through-hole mounting
