CABLES / CABLE ASSEMBLIES

JST 2-pin cable

PRODUCT ID: 261

DESCRIPTION

Red and black tinned wires with a 2-pin JST PH connector on the end. 4" / 100mm long. Matches up nicely with our Lipoly charger!

We don't have the 'mating' version of this, with the receptacle – but we do have a long extension cable that can be cut in half.

New! We now use genuine JST PH connectors for these cables so they are easy to insert and remove. For more information about JST PH connectors, visit the JST website
