DE-9 (DB-9) Male Plug to Terminal Block Breakout

PRODUCT ID: 3123

Description

Make your own custom DE-9 cable or DE-9 interface with ease, using this **DE-9 Plug to Terminal Block Breakout**. You get a nice solid PCB with an DE-9 socket and two strips of terminal blocks that you can use with stranded or solid core wire to quickly assemble your own wiring jigs.

Perfect for when you need a non-standard wiring setup or interfacing to an older device with one of these connectors

Sometimes DE-9 connectors are referred to as DB-9. Technically that's the wrong name, but its so ingrained that most people only know the connector as DB-9.

Comes with one fully assembled breakout and a clip-on housing.

Technical Details

Product Dimensions: 51.7mm x 33.5mm x 20.5mm / 2.0" x 1.3" x 0.8"

Product Weight: 22.3g / 0.8oz
