

Chipsmall Limited consists of a professional team with an average of over 10 year of expertise in the distribution of electronic components. Based in Hongkong, we have already established firm and mutual-benefit business relationships with customers from,Europe,America and south Asia,supplying obsolete and hard-to-find components to meet their specific needs.

With the principle of “Quality Parts,Customers Priority,Honest Operation,and Considerate Service”,our business mainly focus on the distribution of electronic components. Line cards we deal with include Microchip,ALPS,ROHM,Xilinx,Pulse,ON,Everlight and Freescale. Main products comprise IC,Modules,Potentiometer,IC Socket,Relay,Connector.Our parts cover such applications as commercial,industrial, and automotives areas.

We are looking forward to setting up business relationship with you and hope to provide you with the best service and solution. Let us make a better world for our industry!

Address: A1208, Overseas Decoration Building, #122 Zhenhua RD., Futian, Shenzhen, China

### Components for EMC installation

EMC (electromagnetic compatibility) refers to the ability of an electrical device to function satisfactorily in its electromagnetic environment without influencing or being influenced by this environment more than is admissible.

These requirements were taken into account when developing the HEITEC subracks. They are made entirely from metal and coated with a conductive surface finish.

Stainless steel EMC gaskets ensure conductive connection of the separate parts.

- 1** EMC gaskets, vertical
- 2** EMC gaskets, horizontal
- 3** EMC gaskets for covers
- 4** Mounting blocks

### EMC gaskets, vertical

To ensure EMC protection between the subrack side panel and the front/rear panels. There are two versions available.

- Suitable for mounting on:
- 482.6 mm (19") flanges for subracks
  - Corner trims, rear
  - EMC contact strip
  - U-channel front panels
  - Trim panels for Ripac Vario-Module
  - Flanges for Ripac Vario-Module

**Material:**  
Stainless steel

**German patent**  
no. 101 15 525 and  
no. 198 46 627  
**US patent no. 6,500,012**  
**US patent no. 7,044,753**
