3M Hearing Solutions

**Get hearing
protection right —
on site and in sight.**

3M™ One Touch™ Pro Earplug Dispenser

Conveniently provide hearing protection where employees need it. The 3M™ One Touch™ Pro Earplug Dispenser dispenses one earplug at a time with a simple twist. No more expense and waste of individually wrapped plugs. Made from ABS plastic with a powder-coated steel-back plate, it's designed for challenging environments — indoors and outdoors.

- ▶ Accurately dispenses one earplug at a time
- ▶ Dispenses earplug directly into hand
- ▶ Durable ABS plastic for tough environments
- ▶ Free-standing or wall-mounted
- ▶ Shields earplugs from wind and rain
- ▶ Mounting holes designed to fit a variety of competitive dispensers

3M™ One Touch™ Pro Earplug Dispenser

With a simple twist, give your employees the hearing protection they want to wear. Get the most popular styles available with less packaging waste and lower per-pair cost versus individually packaged earplugs.

- ▶ Accurately dispenses one earplug at a time
- ▶ Dispenses earplug directly into hand
- ▶ Durable ABS plastic for tough environments
- ▶ Free-standing or wall-mounted
- ▶ Shields earplugs from wind and rain
- ▶ Mounting holes designed to fit a variety of competitive dispensers

*Research suggests that many users will receive less noise reduction than indicated by the NRR due to factors including variation in earplug fit, earplug fitting skill and motivation of the user. 3M recommends fit testing of hearing protectors. If the NRR is used to estimate typical workplace protection, 3M recommends that the NRR be reduced by 50% or in accordance with applicable regulations.
