MI:pro™ **Protective Case for the MI:power board**

Kitronik

MI:pro™ Protective Case

is a simple & compact, it's 4 - layer construction is easy to assemble and gives access to all buttons. The MI:pro case has been designed for use with the MI:power board (sold separatley). To keep it extra safe, this case closes off all the edge pins on the BBC micro:bit, so there is no need to worry about them getting damaged.

TOOLS REQUIRED:

- Flat head screwdriver

NOT INCLUDED:

- BBC micro:bit

- MI:power board
