**Cascadia 2008-2014**

**\*\* ADVISEMENT \*\***

Read instructions completely prior to starting installation. All InDash Mounts are designed so that after installation, phone is facing normal driver position for left-hand drive vehicles. This mount is not designed to be used in foreign countries with right-hand drive vehicles. Use extreme care when working around the plastic components on the dash. Excess force, can cause breakage of the plastic components.

**STEP #1:** With the T-25 Torx driver, remove ant screws that hold the dash plates in place. You may need to remove more than (1) screw to get the mount in place.

**STEP #2:** Lift up on the dash bezel and place the InDash by PanaVise over the screw hole, and Reinstall the screws.

**INSTALLATION IS NOW COMPLETE. ENJOY YOUR NEW INDASH by PANAVISE MOUNT**
