

Chipsmall Limited consists of a professional team with an average of over 10 year of expertise in the distribution of electronic components. Based in Hongkong, we have already established firm and mutual-benefit business relationships with customers from,Europe,America and south Asia,supplying obsolete and hard-to-find components to meet their specific needs.

With the principle of “Quality Parts,Customers Priority,Honest Operation,and Considerate Service”,our business mainly focus on the distribution of electronic components. Line cards we deal with include Microchip,ALPS,ROHM,Xilinx,Pulse,ON,Everlight and Freescale. Main products comprise IC,Modules,Potentiometer,IC Socket,Relay,Connector.Our parts cover such applications as commercial,industrial, and automotives areas.

We are looking forward to setting up business relationship with you and hope to provide you with the best service and solution. Let us make a better world for our industry!

Connection modules

IE-CCM

Connection module Cat.7

IE-CSM 1 Set

Cable splitter module Cat.5e

Technical data

Functionality	Module for extending or repairing Ethernet cables; cable can be fed from one or both ends.	Adapter for using an 8-core installation cable for two 4-core services
Types of cable	Cat.5, Cat.6, Cat.7 installation cable	Cat.5 patch cable or connecting cable with RJ45 plug
Connection for core	AWG 24 to AWG 22/1 IDC	
Transmission parameters	LSA Plus® Cat.7, class F	Cat.5e, class D
Housing	Fully shielded metal housing	ABS, shockproof, metal-coated aluminium, slim design
Shielding	Captive 360° shield connection, plus separate strain relief	
Installation	Wall or floor mounting	can be plugged in adjacent to each other in patch panel
Colour	grey	light grey (RAL 7035)
Ingress Protection Class	IP 20	IP 20

Length x width x height	mm	112 x 37 x 20
