# imall

Chipsmall Limited consists of a professional team with an average of over 10 year of expertise in the distribution of electronic components. Based in Hongkong, we have already established firm and mutual-benefit business relationships with customers from, Europe, America and south Asia, supplying obsolete and hard-to-find components to meet their specific needs.

With the principle of "Quality Parts, Customers Priority, Honest Operation, and Considerate Service", our business mainly focus on the distribution of electronic components. Line cards we deal with include Microchip, ALPS, ROHM, Xilinx, Pulse, ON, Everlight and Freescale. Main products comprise IC, Modules, Potentiometer, IC Socket, Relay, Connector. Our parts cover such applications as commercial, industrial, and automotives areas.

We are looking forward to setting up business relationship with you and hope to provide you with the best service and solution. Let us make a better world for our industry!

#### **Features**

- Lead free
- RoHS compliant\*
- Multiple isolated resistors
- Stable thin-film-on-silicon technology
- Ultra-miniature packages to JEDEC standards

#### **Applications**

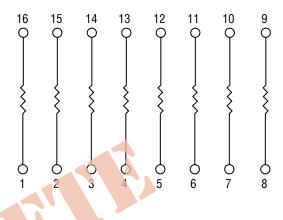

- Series bus resistance
- Pull-up/pull-down
- Ideal for space-constrained applications

## Thin Film on Silicon 2QSP / 2NBS -XX1 Isolated Resistors

#### **General Information**

Isolated resistor networks are commonly used in digital circuits where series resistors are required on the system bus. Fabricated with Tantalum Nitride and Nickel Chromium technology on Silicon, these resistors feature excellent stability, TCR and tracking performance. This product series is available in a range of miniature package types conforming to JEDEC standards.

#### Package Schematic

#### **Electrical & Environmental Characteristics**

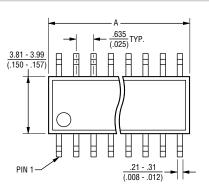

| Electrical Characteristics  | Symbol           | Minimum | Nominal | Maximum              | Unit                 |
|---|------------------|---------|---------|----------------------|----------------------|
| Resistance Range  | R                | 10      |         | 100 K                | Ω                    |
| Tolerance:  |                  |         |         |                      |                      |
| Absolute  |                  | ±0.5 %  |         | ±5 %                 | Ω                    |
| Ratio   |                  | ±0.1 %  |         | ±2 %                 | Ω                    |
| TCR:<br>Absolute<br>Tracking  |                  |         | 100     | 150<br>25            | ppm/°C<br>ppm/°C     |
