Summary:

Everyone loves to play with light and this collection of kid-ready LED projects will have young Makers exploring electricity and electronics while opening up a world of endless fun! Makers, tinkerers, hobbyists, and parents will be drawn to the decorative and exciting possibilities of the projects in Make It Glow.

Filled with full-color photographs and step-by-step instructions that anyone can follow, this beautiful book features 21 exciting projects that can be completed by even the youngest Maker.

You'll start with ultra simple projects and then tackle increasingly complicated ones. Building upon lessons learned in earlier projects ensures that kids learn and succeed. Everyone will be thrilled by the fun, decorative designs that result as you develop new ways to unleash your creativity!

With Make It Glow, you'll learn to make:

- Blue-light greeting cards
- Eyes in the dark
- Flickerbugs
- Light-up fairy wings
- An illuminated tote bag
- A bouquet of electric roses
- and more!

Featuring beautifully photographed inspirational projects for kids and adults, Make It Glow helps you learn the basics of electronics and soft circuits to create costumes, home decorations, clothing, jewelry, and more.

What will you illuminate?
