## 1. Product Introduction

Reducing the body to the limit, AH155 applies composite metal material to set an overall sense of technology, after that carving hollowed-out geometric pattern in the square shape and use asymmetric dynamic to symbolize rapid data transmission. Each line is extremely concise without redundancy.

The hollowed-out geometric pattern of AH155 USB flash drive can be used as strap holes as well. Going with metal beads, it can be hung on handbags, key chains or mobile phone straps, giving consideration to both chic and practicability. Compact metal finish USB drive can be an accessory in the delicate texture of the wallet, in this way it reveals urban minimalist style and simple beauty inherent in a low profile design aesthetics. When connecting with laptops or computers, there is only 1.3 cm of length in sight and it is a perfect match for Ultrabook emphasizing lightness and neatness!

AH155 is waterproof, dustproof and shockproof, which guarantee the safety of archives. With the pure aesthetic of “Minimalist/Beauty”, AH155 USB flash drive is just the best, stylish and extraordinary match in mobile life!
