1. Product Introduction

When the digital technology becomes the carrier of memory, can it also bring the sincere wishes and sweet memories once stored in star sand bottle back to life? Apacer's newly launched AH139 "Star Wish Drive" USB 2.0 flash drive gives you the touch of romance inspired by star sand wish bottle.

With the star sand totem on the aqua blue and cloud white dual-color body, this flash drive gently keeps your precious memories and wishes from the past. The AH139 "Star Wish Drive" is available in four capacities, 8GB, 16GB, and 32GB, and is proved waterproof, dustproof and shockproof so as to protect valuable memories from various situations!

The AH139 features aqua blue and pure white dual-color design rendering a fresh and relaxing taste. It's available in three capacities, 8GB, 16GB and 32GB to provide consumers with diverse choices. The AH139 "Star Wish Drive" is perfectly compatible with Windows 8, 7 operating system and Mac OS, and supports the plug-and-play function with no need to install a driver. The "Star Wish Drive" with IPX7 waterproof features guards your every little wish!

2. Product Features

- High-speed USB 2.0 certified, backwards compatible with USB 1.1
- USB powered. No external power required.
- Inspired by star sand totem design
- Cap holder design with a strap hole prevents accidental loss or misplacement of the cap
- Multi-proof of durability--adopts COB (Chip-on-Board) technology with waterproof (IPX7 features), as well as dustproof and shockproof characteristics.
- RoHS compliant

3. Specifications
