Specification Sheet

USB2.0 Flash Drive
Handy Steno AH326

Table of Contents

1. Product　Introduction

Handy Steno AH326 features the innovative "U-Ring" sliding cover with exquisite, sleek, and hand-touch design, bringing out the utilitarian and aesthetic value of a flash drive to its maximum.

The crystal red "U-Ring" sliding cover of AH326 combines the ring with the sliding cover structure and gives itself a simplistic yet elegant appearance. The unique "U-Ring" design of AH326 not only gives AH326 a delicate touch similar to a sliding cell phone, but also prevents the cap from missing. With the anti-slip texture, it also delivers a user experience with nice usability. The combination of all these features makes AH326 a true model of utilitarian aesthetics.　Additionally, the crystal red "U-Ring" is eye-catching in comparison with its black and white base colors and can be further customized with your favorite decorations to become a stylish personal accessory.
2. Product Features

- USB 2.0 Hi-Speed interface

- Easy plug & play

- Innovative U-ring sliding cover

- Sleek and pebble-like hand-touch design

- Strap hole allows AH326 to be further customized with personal decorations

- Available colors: black & white
