

Chipsmall Limited consists of a professional team with an average of over 10 year of expertise in the distribution of electronic components. Based in Hongkong, we have already established firm and mutual-benefit business relationships with customers from,Europe,America and south Asia,supplying obsolete and hard-to-find components to meet their specific needs.

With the principle of “Quality Parts,Customers Priority,Honest Operation,and Considerate Service”,our business mainly focus on the distribution of electronic components. Line cards we deal with include Microchip,ALPS,ROHM,Xilinx,Pulse,ON,Everlight and Freescale. Main products comprise IC,Modules,Potentiometer,IC Socket,Relay,Connector.Our parts cover such applications as commercial,industrial, and automotives areas.

We are looking forward to setting up business relationship with you and hope to provide you with the best service and solution. Let us make a better world for our industry!

Load Board 6U

CompactPCI® Bus

Resistive Load & Voltage Boards
for 3U & 6U cPCI Applications

Useful for enclosure voltage measurement or providing minimum load for power supply tests.

- 25 Watt Resistive Loads, 4 voltages
- 3U & 6U Versions
- Jacks for Voltage Measurement
- LED Indicators for Each Voltage
- J1 Connector Used
- Low Cost
- Front panel Assembly provided
- Injector/Ejector Handles included

Part No.	Description
CPCI-3U25L	Resistive Load Board for 3U Systems
CPCI-6U25L	Resistive Load Board for 6U Systems

6U & 3U Load Boards

Load Board 6U

VME & VXI BUS

Resistive Load & Voltage Boards
for 6U VME & VXI Applications

Useful for enclosure voltage measurement or providing minimum load for power supply tests.

- Mounts in a card slot in a 6U VME Backplane
- Provides 50 Watt load for VME switching power supplies
- Provides 80 watt load for VXI switching power supplies (requires extender board)
- Voltages supported for VME: +5V, +12V, -12V
- Voltages supported for VXI: +5V, +12V, -12V, +24V, -24V, -2V, -5.2V
- Jacks provided for remote meter readout
- LED Indicators for Each Voltage
- Front panel Assembly provided
- Injector/Ejector Handles included
- VME ejector handles provided
