16-Device AC Charging Station Cabinet for iPad and Android Tablets, Wall-Mount and Cart Options, Black

MODEL NUMBER: CS16AC

Locking steel cabinet provides AC charging, secure storage and cord management for up to 16 iPad, Android, Kindle and Surface tablets. For education, office, commercial, retail, industrial and healthcare environments.

Description

The CS16AC 16-Device AC Charging Station Cabinet provides AC charging, secure storage and cord management for up to 16 tablets. It's ideal for education, office, commercial, retail, industrial and healthcare environments.

16 AC outlets provide convenient charging. The charging station is compatible with all devices that charge via user-supplied USB power adapters, including iPad, Android, Kindle, Kindle Fire and Surface tablets and iPhone, Android and Windows smartphones.

The charging station provides comprehensive device protection, with steel construction and a powder-coated finish for long-term durability. It locks with the included keys to prevent device theft, damage or tampering, and flow-through ventilation prevents overheating.

The charging station also provides clutter-free organization of devices and cabling. AC outlets, power adapters and cords store out of sight. Toolless trim panels permit quick service access.

The charging station is easy to configure. It ships fully assembled and supports mounting to a wall, desk, table, counter or floor. The front door opens 180 degrees and side panels are removable for unrestricted device and service access. Removable dividers accommodate thicker devices. You can also convert the charging station to a mobile cart with Tripp Lite's CSHANDLEKIT accessory and roll it where needed.

Features

Highlights

- AC charging and storage for 16 iPad and Android tablets
- Locking steel cabinet with flow-through ventilation
- Adjustable device dividers and integrated cord management
- Ships fully assembled and mounts to wall, desk, table or floor
