Chipsmall Limited consists of a professional team with an average of over 10 year of expertise in the distribution of electronic components. Based in Hongkong, we have already established firm and mutual-benefit business relationships with customers from, Europe, America and south Asia, supplying obsolete and hard-to-find components to meet their specific needs.

With the principle of "Quality Parts, Customers Priority, Honest Operation, and Considerate Service", our business mainly focus on the distribution of electronic components. Line cards we deal with include Microchip, ALPS, ROHM, Xilinx, Pulse, ON, Everlight and Freescale. Main products comprise IC, Modules, Potentiometer, IC Socket, Relay, Connector. Our parts cover such applications as commercial, industrial, and automotives areas.

We are looking forward to setting up business relationship with you and hope to provide you with the best service and solution. Let us make a better world for our industry!

CT-326-C Current Tracer

Industrial Strength Wire Tracing Technology

Built tough for industrial applications, the Amprobe CT-326-C Current Tracer quickly pinpoints wires buried underground or hidden in walls without having to disrupt your power source.

- · Heavy duty, recommended for tough industrial applications
- Traces live wires buried underground or hidden behind walls up to 13' deep
- Performs tests without having to interrupt power
- Locates breakers, neutral & ground lines

- Locates and traces wires in walls, floors, conduit, & computer cables
- Pinpoints shorts and ground faults
- Does not interfere with sensitive electronic equipment

CT-326-C DETAILED SPECIFICATIONS

Specifications	CT-326-C
Traces energized wires and locates breakers without interrupting power	$9 \text{ V} \rightarrow 300 \text{ V}$ ac / dc
Traces non-energized wires (wire continuity and wire grounded at the end) and pinpoints shorts and ground faults	Transmitter & 9 V batteries
Pinpoints shorts and ground faults	Yes
Digital filter to assure accuracy in noisy industrial environments	Yes
Sensitivity settings	12
Weight	2.06g (4.55 lbs)

For more detailed specifications see users manual.
