Chipsmall

Chipsmall Limited consists of a professional team with an average of over 10 year of expertise in the distribution of electronic components. Based in Hongkong, we have already established firm and mutual-benefit business relationships with customers from,Europe,America and south Asia,supplying obsolete and hard-to-find components to meet their specific needs.

With the principle of "Quality Parts,Customers Priority,Honest Operation,and Considerate Service",our business mainly focus on the distribution of electronic components. Line cards we deal with include Microchip,ALPS,ROHM,Xilinx,Pulse,ON,Everlight and Freescale. Main products comprise IC,Modules,Potentiometer,IC Socket,Relay,Connector.Our parts cover such applications as commercial,industrial, and automotives areas.

We are looking forward to setting up business relationship with you and hope to provide you with the best service and solution. Let us make a better world for our industry!

# CodeWarrior Development Tool Suites

BUILT ON
7
™
Power

Overview

Freedom to design across our extensive silicon portfolio. Flexibility to choose the purchasing model that best fits your needs.

CodeWarrior development tools provide the capabilities required by every engineer in the development cycle. Purchasing and accessing these tools is easy and affordable.

Freescale offers a broad line of CodeWarrior development tool suites, allowing ready access to any or all of the CodeWarrior products contained within each suite. This means you can license the entire portfolio of CodeWarrior tools within the suite you purchase. Each suite also contains all functionality of the products in the suites below it.

CodeWarrior

Purchase Only the Functionality You Require

CodeWarrior suites include:

- **CodeWarrior Professional Suite:**
  Full-featured development suites

- **CodeWarrior Standard Suite:**
  Selectively featured development suites

- **CodeWarrior Basic Suite:**
  Compiler upgrades to special editions, Linux® applications editions and flash programmers

- **CodeWarrior Special Editions:**
  Feature-limited development tools

Use your "My Freescale" Web login to download and register specific versions of CodeWarrior development tools. Floating and node-locked licenses are available at the same price.

Previously purchased CodeWarrior development tools?

- Log in to your "My Freescale" page today to see the other tools at your disposal.

- Install multiple CodeWarrior products on your computer simultaneously. Run the products independently.

Perpetual/Permanent Use or Annual Subscriptions

CodeWarrior development tool suites may be purchased for perpetual use or by annual subscription. Twelve months of technical support and maintenance are included in the price with either option. Continuing technical support and maintenance for a perpetual suite or renewing the annual subscription beyond the initial period ensures you always have access to the latest versions of the CodeWarrior products at no charge. While perpetual licenses never expire, annual subscription licenses do stop working one month after the expiration of the paid subscription period.

CodeWarrior Suites

Basic Suite ($995 Perpetual License/$395 Annual Subscription)*
