## Universal Dual-Monitor Mount Adapter

MODEL NUMBER: **DMA1327SD**

Dual-monitor kit converts a single-monitor display mount so it will hold 2 flat-screen 13-27 in. monitors at the same time.

### Features

#### Mount 2 Flat-Screen Monitors on One Display Mount

This dual-monitor mount securely attaches to your current display mount, allowing you to use two monitors simultaneously without taking up any additional desk or table space in your workstation. Ideal for home, school or office use, the VESA-compliant adapter fits most flat-panel monitors, televisions and other displays from 13 to 27 inches.

#### Easy to Adjust to Your Liking With a Single Touch

Just one touch is all it takes to adjust the monitors' viewing angles and heights to fit your comfort level. The monitors tilt from  $-15^{\circ}$  to  $+15^{\circ}$  to give you flexibility in minimizing glare and providing comfortable viewing from multiple angles. They also rotate 360 degrees for viewing in portrait or landscape orientation.

#### Each VESA Mount Supports Up to 22 lb.

This dual-monitor kit mounts to your current display mount's 75 x 75 mm or 100 x 100 mm VESA plate. Made from durable steel, the adapter features a scratch-resistant black powder-coated finish that blends with your décor and stands up to frequent handling. Mounting hardware is included. Keep in mind that the total mount weight must not exceed the maximum weight of the single display mount.

#### 5-Year Warranty and Environmentally Responsible Design

The DMA1327SD comes with a 5-year warranty. It's manufactured in compliance with strict RoHS specifications, reflecting Tripp Lite's commitment to environmental responsibility.

### Highlights

- Mounts to current single-display mount to leave valuable desk or table space clear
- Each mount supports up to 22 lb. and flat-screen displays from 13 to 27 in.
