

Chipsmall Limited consists of a professional team with an average of over 10 year of expertise in the distribution of electronic components. Based in Hongkong, we have already established firm and mutual-benefit business relationships with customers from,Europe,America and south Asia,supplying obsolete and hard-to-find components to meet their specific needs.

With the principle of "Quality Parts,Customers Priority,Honest Operation,and Considerate Service",our business mainly focus on the distribution of electronic components. Line cards we deal with include Microchip,ALPS,ROHM,Xilinx,Pulse,ON,Everlight and Freescale. Main products comprise IC,Modules,Potentiometer,IC Socket,Relay,Connector.Our parts cover such applications as commercial,industrial, and automotives areas.

We are looking forward to setting up business relationship with you and hope to provide you with the best service and solution. Let us make a better world for our industry!

Non-Contact AC Voltage and Current Detector

 **Detects and pinpoints wide range Voltage and Current**
With Sensitivity Adjustment

Features:

- The only two-in-one current/voltage detector designed for electrical testing
- Non-Contact AC current detection from 200mA to 1000A
- Non-Contact AC voltage detection from 12V to 600VAC
- Sensitivity adjustments to increase or reduce sensor trigger threshold
- Loud audible and bright visible sense detect indicators
- Current sensor detects current flow through shielded wires, conduit and metal circuit breaker/junction boxes
- Current function detects current flow of 400mA at 0.2" distance and at much greater distances for larger current flows
- Convenient pocket size with clip
- Dims/Wt: 7.6 x 1.2 x 0.9" (192 x 31 x 24mm) / 2.1oz (60g)
- Complete with four LR44 button batteries and pocket clip

Applications:

- Trace concealed wires in walls and floors
- Identify "hot" wires
- Trace current flow behind walls, in conduit, where voltage detection does not work
- Sensitivity high enough to trip on low voltage HVAC or similar signal levels

Ordering Information:

DVA30Non-Contact AC Voltage and Current Detector
