## Tilt Wall-Mount for 13" to 27" Flat-Screen Displays

MODEL NUMBER: DWT1323S

### Description

Tripp Lite's VESA-compliant DWT1323S Tilt Flat-Screen Wall Mount's low-profile design stays hidden behind your display for a sleek, professional appearance. With tilt adjustment for improved viewing angles in applications where the audience is located below the display, it packs a lot of functionality into a compact frame. It can also free up valuable space in your workstation by allowing you to effortlessly reposition your display at any time, even after installation. Its durable, all-metal construction with scratch-resistant, powder-coat finish supports weights of up to 88 lbs. and fits most 13- to 27-inch flat-panel displays. It comes preassembled for quick and easy installation and features horizontal adjustment to compensate for off-center wall studs. For peace of mind, the DWT1323S comes backed by a 5-year warranty and green, RoHS-compliant design.
