## Solderless Breadboard, 550 Tie-Points

### Solderless Breadboards

Phosphor bronze contacts

Heavy mylar backing

### Overview:

Global Specialties Premium Proto-Board® brand of solderless breadboarding systems continue to be the industry standard for reliability, durability, and versatility. The Proto-Boards® are molded in a high impact plastic for durability and high temperature application. They feature phosphor bronze contacts and a heavy mylar backing eliminates the possibility of short circuits.
