SD Card for OverLord 3D Printer (8G SDHC)
SKU: FIT0440

INTRODUCTION

Kingston Technology Secure Digital High-Capacity (SDHC) memory cards are fully compliant with the new Secure Digital Association 2.00 specification. They are a new performance class of SD memory cards designed to meet the storage demands of high-quality digital still and video cameras and other high-resolution image recording devices.

This SD Card for OverLord 3D Printer comes with pre-stored files, including Overlord User Manual, Printing Software and test print files. Compatible with Overlord and Overlord pro, supports plug and use.

Apart from being used with OverLord printer, it can also work as memory card for Raspberry Pi, Cubieboard and other dev platforms.

Note: Package has been opened for pre-loading files.
