Plywood Case for LattePanda

SKU:FIT0475

INTRODUCTION

This plywood case is a nice and solid enclosure for [LattePanda](#) dev board. A case can protect the board while letting you see the status LEDs directly and providing access to things like USB, HDMI, SD card, GPIO cables. Assembling this case is quite simple and intuitive. We also provide a quick guide along with the case on how to assemble this nice case.

What is [LattePanda](#)?

[LattePanda](#) is a complete Windows 10 computer on a single board!

It includes everything a regular PC has and can do anything that a regular PC does. It is compatible with almost every gadget you know: printers, joysticks, cameras and more. Any peripherals that work on your PC will work on LattePanda.

[LattePanda](#) comes pre-installed with a pre-activated full edition of Windows 10, including powerful tools such as Visual Studio, NodeJS, Java, Processing, and more. Using existing APIs, you can develop your own software and hardware projects on LattePanda as you would on a normal PC - C#, Javascript, Ruby and so on. Say goodbye to your bulky laptop!

Please note [LattePanda](#) dev board is not included in the kit.
