Key Features:

- Designed to house P.C. boards - for instrument use.
- Molded in light grey - general purpose ABS plastic with a light texture (front & rear panels are smooth). Material carries a UL flammability rating of UL94 HB.
- Two part - clam shell construction. Bottom half includes molded in standoffs for easy P.C. board installation. Larger enclosures also include P.C. board standoffs on the top half (see [photo tables](#) for details). Four short M3 screws included
- Front & rear panels are interchangeable and easily removable for modifications.
- Tongue and groove construction provides protection against dust & water. Designed to meet IP43.
- Includes two (or four) - assembly screws (depending on size).
- All units except the **RM2015S** and **RM2055S** are secured with M3 Philips machine screws, threaded into integral brass bushings. Perfect for applications when repetitive assembly and disassembly are required. The **RM2015S** and **RM2055S** use self tapping Philips screws.
- Options include replacement IR translucent or aluminum panels.
