## : ©hipsmall

Chipsmall Limited consists of a professional team with an average of over 10 year of expertise in the distribution of electronic components. Based in Hongkong, we have already established firm and mutual-benefit business relationships with customers from,Europe,America and south Asia,supplying obsolete and hard-to-find components to meet their specific needs.

With the principle of "Quality Parts,Customers Priority,Honest Operation, and Considerate Service",our business mainly focus on the distribution of electronic components. Line cards we deal with include Microchip,ALPS,ROHM,Xilinx,Pulse,ON,Everlight and Freescale. Main products comprise IC,Modules,Potentiometer,IC Socket,Relay,Connector.Our parts cover such applications as commercial,industrial, and automotives areas.

We are looking forward to setting up business relationship with you and hope to provide you with the best service and solution. Let us make a better world for our industry!

## Soft Switching Series

## Reverse Conducting IGBT with monolithic body diode

## Features:

- 1.5V Forward voltage of monolithic body Diode
- Full Current Rating of monolithic body Diode
- Specified for $T_{\text {Jmax }}=175^{\circ} \mathrm{C}$
- Trench and Fieldstop technology for 1000 V applications offers :
- very tight parameter distribution
- high ruggedness, temperature stable behavior
- easy parallel switching capability due to positive temperature coefficient in $V_{\mathrm{CE} \text { (sat) }}$
- Low EMI

- Qualified according to JEDEC ${ }^{1}$ for target applications
- Pb-free lead plating; RoHS compliant

## Applications:

- Microwave Oven
- Soft Switching Applications

| Type | $V_{\text {CE }}$ | $I_{\mathrm{C}}$ | $V_{\mathrm{CE}(\text { sat }), T \mathrm{~T}=25^{\circ} \mathrm{C}}$ | $T_{\mathrm{j}, \text { max }}$ | Marking | Package |
| :--- | :---: | :---: | :---: | :---: | :---: | :---: |
| IHW30N100R | 1000 V | 30 A | 1.5 V | $175^{\circ} \mathrm{C}$ | H30R100 | PG-TO-247-3 |

Maximum Ratings

| Parameter | Symbol | Value | Unit |
| :---: | :---: | :---: | :---: |
