

Chipsmall Limited consists of a professional team with an average of over 10 year of expertise in the distribution of electronic components. Based in Hongkong, we have already established firm and mutual-benefit business relationships with customers from,Europe,America and south Asia,supplying obsolete and hard-to-find components to meet their specific needs.

With the principle of “Quality Parts,Customers Priority,Honest Operation,and Considerate Service”,our business mainly focus on the distribution of electronic components. Line cards we deal with include Microchip,ALPS,ROHM,Xilinx,Pulse,ON,Everlight and Freescale. Main products comprise IC,Modules,Potentiometer,IC Socket,Relay,Connector.Our parts cover such applications as commercial,industrial, and automotives areas.

We are looking forward to setting up business relationship with you and hope to provide you with the best service and solution. Let us make a better world for our industry!

MA120.A.QP.001
on ground-plane

Hercules

MA120.A.QP.001

Specification

Part No.	MA120.A.QP.001
Product Name	Hercules Hercules GENII Screw mount 2in1 450MHz and 868MHz (Separate cable and connectors)
Feature	Screw-Mount (Permanent Mount) For smart meters and mesh networks 450MHz and 868MHz Combo Antenna Peak Gain 3dBi for 450MHz Band 1dBi for 868MHz Band Cable and Connector 1M RG-316 SMA (M) Height 29mm * Diameter 49mm Waterproof IP67 & IP69K Rated RoHS Compliant

1. Introduction

The MA120 antenna is a high performance 450MHz and 868MHz combination thread mount antenna for external use with smart meters, gateways, mesh networks, vehicles and outdoor and indoor assets.

It is designed for heavy duty work with extra thick threads. The UV resistant polycarbonate housing is resistant to vandalism and direct attack.

At only 29mm high and a diameter of 49mm this unique antenna is the lowest profile and smallest worldwide.

The antenna has been tested in free space and on varying sizes of ground-planes, showing good frequency stability, allowing its use in many different mounting environments.

The IP67 and IP69K rated housing makes it waterproof against short immersion in water, and also against high pressure water jets used in industrial cleaning.

A closed cell foam on base prevents water leaking into mounting hole, while also providing a secure seal to a contoured surface.

The standard cable and connector is 1 meter RG316. High quality FEP (Teflon) jacket is used for the cable.

This makes the cable very flexible and able to operate in high temperature environments, corrosion resistant.

Note this antenna is designed for short range communication in the range of meters to hundreds of meters.

For cable lengths longer than 2 meters or where very long communication ranges are desired, apart from needing a higher transmit power from the transmitter, it is recommended to go with much larger high gain stand-alone whip or fiberglass Omni type antennas, to counteract losses in the cables.

2. Specification

Electrical

	ISM450	ISM868	
Frequency	450	868	MHz
Return Loss (min.)	10	10	dB
Peak Gain	3.91	1.11	dBi
Average Gain	-3.27	-4.52	dBi
Impedance	50Ω		
Polarization	Linear		
Radiation Properties	Omni-Directional		
Max Input Power	5W		

Mechanical

Dimensions (mm)	Height=29mm x Diameter=49mm
Cable	1M RG316 coax - Fully Customizable
Casing	PC Housing
Base and Thread	Nickel plated steel
Weather proof gasket	CR4305 foam with 3M9448HK double-side adhesive
Connector	SMA Male - Fully Customizable
Thread Diameter	18 mm
Sealant	Rubber Stopper

Environmental Ratings

Protection	IP67 & IP69K
Corrosion	5% NaCl for 96hrs - Nickel plated steel base and thread
Temperature Range	40°C to +85°C
Thermal Shock	100 cycles -40°C to +85°C
Humidity	Non-condensing 65°C 95% RH
Shock (Drop Test)	1m drop on concrete 6 axes
Cable Pull	8Kgf

* Results from mounting on 50cm*50cm ground plane

Notes

1.New Part #: MA.120.A.Q108111.P108111

6. Packaging

1 pcs antenna per small PE bag

40 small PE bags per box

7. Application Note

Taoglas provides this antenna return loss results with different ground conditions. Detail, please observe below.
