Magtime Magnetic Cable Holders

MF-25/25

RDT-18 with MF-4 adapter

Made of neodymium (a rare earth magnet), these cable holders quickly and easily allow the technician to install cables without any drilling, screwing or nailing required. These powerful magnets can hold a substantial number of cables. The MF-25/25 uses a magnet rated to 15 lbs allowing a large number of cables to be held. The MF-25/25 is also UL listed and Plenum rated. Hang wires in high places from the ground using the RDT-18 Telescopic Pole with the cable pole adapter MF-4. A Quick Easy Permanent installation that can easily be removed in seconds.

| Magnetic Cable Holders | |
