## RFiD tag 13.56MHz, ISO14443-A standard

Weight: 5 g

MIKROE-2256 Yellow

MIKROE -2255 RED

MIKROE-1475 Blue

MIKROE-2254 Green

RFiD tag 13.56MHz, ISO14443-A standard, Blue, Green, Yellow Color. Here at MikroE we use these exact same RFid tags to enter our building every day

Here at MikroE we use these exact same RFid tags to enter our building every day. We use the blue ones and those were the only tags we sold for a long time. But we figured what's the harm in offering more colors. After all, we offer several click boards with LEDs in different colors. Now you can mix and match tags and lights. Yellow, green, red, and the classic blue are now available.
