## Specification Sheet

Part Number: MK9SST

Mark 9 Stainless Steel Tie Tensioning and Cut-Off Tool, PL/GF, Gray, 1/pkg

Article Number	110-95000
Type	MK9SST
Color	Gray (GY)
Features & Benefits	Glass-fibre-reinforced housing Ergonomic design Consistent tensioning and automatically cutting of metal ties MBT/MAT-series Infinitely adjustable tension force combined with two-step quick adjustment
Quantity Per	pcs.

### Product Description

With its lightweight, ergonomic design, the MK9SST is an ideal tool for applying the MBT-series stainless steel cable ties. Although it is used for applying stainless steel ties, the MK9SST enables work to be carried out without operator fatigue and is easy on joints. For easier handling the tensioning is fully adjustable by means of a quick two-level control with an additional fine setting. This avoids damage and constrictions to the bundled materials. The cable ties are cut off automatically flush with the head when the preset tensioning level has been reached.

<b>Short Description</b>	Mark 9 Stainless Steel Tie Tensioning and Cut-Off Tool, PL/GF, Gray, 1/pkg
<b>Global Part Name</b>	MK9SST-PL/GF-GY
