MultiMobile™ USB

V.92 Portable USB Modem

The MultiMobile™ USB portable USB modem, provides V.92/56K data rates, V.34/33.6K fax capabilities and a hot-swappable USB interface. This globally approved analog modem, weighing in at 2 ounces, is ideal for mission-critical out-of-band remote servicing, fax and data applications. The MultiMobile USB portable modem can also serve as the mobile user's desktop modem back in the office.

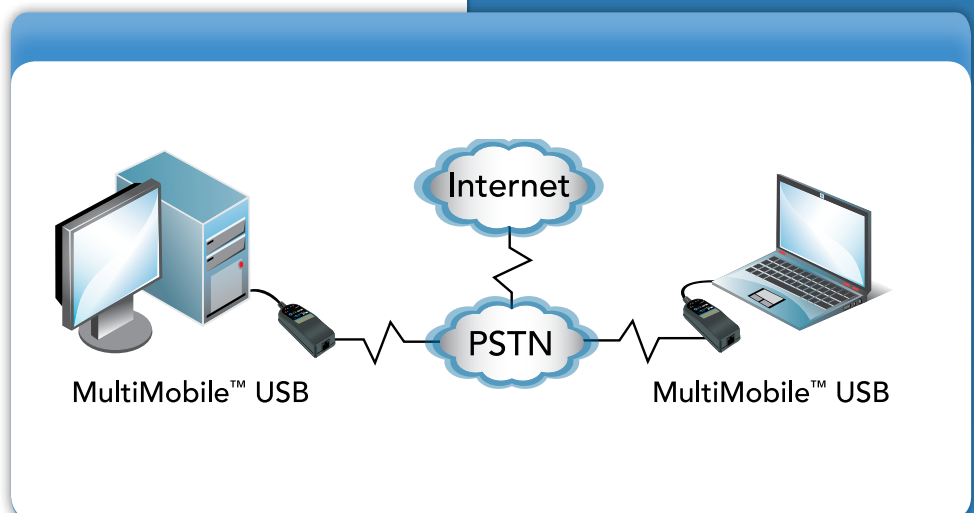

Features

- CDC-ACM compliant
- One-step installation into Windows, Linux and Macintosh operating systems
- V.92/56K downloads (from V.92 servers) and 33.6K data rates for uploads or peer-to-peer transfers
- V.44 compression improves data throughput rates
- Class 1.0 and 2.1 faxing at speeds to V.34/33.6K bps (Super G3)
- Error Correction Mode (ECM) provides fast and reliable fax transmissions
- Small footprint (measures only 1 × 3 inches)
- U.S. Caller ID reporting (Bellcore Type 1)
- LEDs show complete modem status
- Remote configuration for centralized setup and management
- Storage for two phone numbers for automatic dialing
- Global approvals in many countries for worldwide use
- Hot-swappable with other USB devices - no restarting or reconfiguring your PC
- Integrated USB cable simplifies setup and operation
- Flash memory for easy updates
- Two-year warranty

Benefits

- Easy to install
- Portable
- Hot-swappable
- Approved for worldwide use

Services & Warranty

Multi-Tech's comprehensive Support Services programs offer a full array of options to suit your specific needs. These services are aimed at protecting your investment, extending the life of your solution or product, and reducing total cost of ownership. Our seasoned technical experts, with an average tenure of more than 10 years, can walk you through smooth installations, troubleshoot issues and help you with configurations. Products include a 2-year warranty that can be extended up to 5 years via Multi-Tech's Extended Warranty program, which offers the convenience of Overnight Service* for optimal uptime.

Extended Warranty & Overnight Services

To give you peace-of-mind and protect your investment, our Extended Warranty Service Plans ensure your Multi-Tech products are covered for 1, 2, or 3 years beyond the manufacturer's warranty with an optional Overnight Service plan*.

Installation Support

Multi-Tech's Installation Support Service delivers priority service with the ability to work one-on-one with an experienced Multi-Tech technical support engineer, to guide you through the installation process for our products.

Technical Support Services

At Multi-Tech, we're committed to providing you personalized attention and quality service while providing you a quick response to your product support needs. We have several options of support for you to choose from.

For additional information on Support Services as well as other service offerings, please contact your Multi-Tech representative or visit www.multitech.com/support.go.

* Overnight replacement service is currently available for U.S. customers.
