

Chipsmall Limited consists of a professional team with an average of over 10 year of expertise in the distribution of electronic components. Based in Hongkong, we have already established firm and mutual-benefit business relationships with customers from, Europe, America and south Asia, supplying obsolete and hard-to-find components to meet their specific needs.

With the principle of "Quality Parts, Customers Priority, Honest Operation, and Considerate Service", our business mainly focus on the distribution of electronic components. Line cards we deal with include Microchip, ALPS, ROHM, Xilinx, Pulse, ON, Everlight and Freescale. Main products comprise IC, Modules, Potentiometer, IC Socket, Relay, Connector. Our parts cover such applications as commercial, industrial, and automotives areas.

We are looking forward to setting up business relationship with you and hope to provide you with the best service and solution. Let us make a better world for our industry!

NDM1-DEMO NDM1 Demonstration kit

ABOUT

Description

The NDM1DEMO is an easy-to use demo kit for the Novum 12A and 25A digital DC-DC POL modules. The kit consists of one 12A module demo board and one 25A module demo board which can be mated together so multiple rails can be tested simultaneously. Also included is a USB-to-I2C interface adapter allowing the demo boards to be operated from a computer via the V-Infinity Intelligence Center GUI. The NDM1DEMO is the perfect way to easily experience the advantages of digital power.

Kit Includes

- One 12A demo board
- One 25A demo board
- USB Interface Adapter
- Wall plug adapter
- Access to V-Infinity Intelligence Center GUI
