L6-30P to 2x L6-30R Y Splitter, Heavy Duty - 30A, 250V, 10 AWG, 1 ft., Black

MODEL NUMBER: P041-001-2

L6-30P to L6-30R splitter allows two devices with NEMA L6-30P plugs to share one AC power input cord and one NEMA L6-30R outlet.

Features

Heavy-Duty Y-Style Splitter Cable Connects 2 Devices with L6-30P Plugs to One AC Outlet

This Y splitter cable features 10 AWG wire suitable for high power connections, making it a reliable solution for large server applications that require a higher-rated, heavier-gauge cable. With this extension cord splitter, a single NEMA L6-30R outlet can power two devices, such as PDUs, UPS systems, instrument amplifiers and other equipment compatible with a NEMA L6-30P plug. Ideal for areas where AC outlets are limited, such as rack cabinets or small network closets, this L6-30P to L6-30R Y splitter is compatible with Tripp Lite power and extension cords. The one-foot length helps reduce cable clutter.

Locking Connectors Help Prevent Accidental Disconnection and Expensive Downtime

Having a cable come loose accidentally can mean the loss of power and costly downtime. Locking connectors on each end help you avoid such danger, protecting critical equipment by maintaining a secure link without failure. The locking cable is also invaluable when moving equipment in a rack or removing equipment from tight areas, ensuring the power cord always stays connected.

Highlights

- Connects 2 devices to one AC outlet to save space and reduce cable clutter
- Recommended for powering dual PDUs, UPS systems or other heavy-duty devices
- Adds 1 ft. to your existing power connection to provide flexibility in placing devices
- Locking connectors maintain secure link to avoid loss of power and costly downtime
- Thick 10 AWG wire gauge manages high power levels required for larger equipment

Applications

- Connect 2 devices like PDUs and UPS systems to one power outlet up to 1 ft. away in your office or work space
- Save space in a 0U vertical rack-mount PDU by plugging two rack devices into one outlet
- Update or replace the standard power cord provided by a device's original manufacturer

Package Includes

- P041-001-2 L6-30P to 2x L6-30R Y Splitter, 1 ft., Black
