## 40-Pin Male IDE to 2.5 in., 3.5 in. and 5.25 in. SATA Adapter

MODEL NUMBER: P937-000

Connects a SATA solid state drive (SSD) or hard disk drive (HDD) to your computer's existing IDE/ATA motherboard. Recommended for extra storage, quick disk formatting and fast data transfer.

### Description

The P937-000 40-Pin Male IDE to SATA Adapter connects a 2.5-, 3.5- or 5.25-inch SATA SSD or HDD to your computer's older IDE/ATA motherboard. This lets you back up important data, retrieve data from an old internal hard drive, or store information on a drive you can take with you to another computer. By connecting your SATA III, SATA II or SATA I drive to an existing motherboard that does not support SATA, the P937-000 saves you the time, effort and expense of upgrading to a new motherboard.

The P937-000 also works with optical disk drives (ODD), including Blu-ray, DVD and CD-ROM drives. It supports data transfer rates up to 6 Gbps, and is compatible with Ultra ATA 133 specifications. Its plug-and-play design requires no software, drivers or external power supply.

### Features

#### Connects a SATA Drive to Your Computer's IDE/ATA Motherboard

- Recommended for backing up, retrieving and storing large data files
- Saves you time, effort and expense of upgrading to a new motherboard that supports SATA
- Accepts 2.5 in., 3.5 in. and 5.25 in. SATA III, II and I SSDs and HDDs
- Also ODD-compatible, including Blu-ray, DVD and CD-ROM drives
- Supports data transfer rates up to 6 Gbps
- Compatible with Ultra ATA 133 specifications
- Plug-and-play—no software, drivers or external power supply needed

## Specifications

### Highlights

- Recommended for backing up, retrieving and storing large data files
- Accepts 2.5 in., 3.5 in. and 5.25 in. SATA III, II and I SSDs and HDDs
- Supports data transfer rates up to 6 Gbps
- Plug-and-play—no software, drivers or external power supply needed
- Compatible with Blu-ray™, DVD and CD-ROM drives

### System Requirements

- Computer with available IDE connection
- SATA SSD or HDD or Blu-ray, DVD or CD-ROM drive
- 40-Pin IDE drive cable

### Package Includes

- P937-000 40-Pin Male IDE to 2.5 in., 3.5 in. or 5.25 in. SATA Adapter
- 4-Pin Molex power cable
- Owner's manual
