# 3M™ PFIM21v2 Privacy Filter for Apple® iMac® 21.5-inch

3M™ Privacy Filters keep confidential information private. Only persons directly in front of the monitor can see the image on screen; others on either side of them see a darkened screen.

- Keeps your personal or confidential information safe from prying eyes
- You'll see the information on your display while people on either side only see a darkened screen
- Custom fit to your Apple® iMac® 21.5-inch
- The filter application system features an optically clear adhesive designed specifically for display screens. Testing proves that, when kept clean, the filter can be repositioned hundreds of times.
- Reversible, matte side reduces glare and reflections
- Lightweight, thin, frameless design
- Protects display from dirt, debris and scratches
- Cleans easily with a soft cloth and water
- Great for high traffic areas such as airports, airplanes, commuter trains, coffee shops and other public places
- Limited 1-year warranty
