iFixit Tesa 61395 Double Sided Adhesive Tape

Features Custom cut 3291 cm long (108 feet) rolls of Tesa 61395. This is a popular tape used by OEM...

Features

- Custom cut 3291 cm long (108 feet) rolls of Tesa 61395.
- This is a popular tape used by OEM phone and tablet manufacturers. We prefer it over "Red Tape".
- Do not stack rolls without a slip sheet or allow them to touch each other, they will bond permanently. Keep provided slip sheets between them. 2mm and smaller rolls can be delicate, handle with care.
