Organize and Store Your Projects

- Invaluable for all electronics projects and repairs.
- Store tiny components and screws in the 20 small compartments, store large components and tools in the larger compartments.
- Made from Anti-Static Plastic, so it's safe for delicate components.
- Use in conjunction with our screwmaps for repairs on our most popular smartphone guides.

Great for phone repair! Put your standard size smartphone in the side compartment, store your tools in the bottom compartment, and organize your screws and parts in the small compartments.
