imall

Chipsmall Limited consists of a professional team with an average of over 10 year of expertise in the distribution of electronic components. Based in Hongkong, we have already established firm and mutual-benefit business relationships with customers from, Europe, America and south Asia, supplying obsolete and hard-to-find components to meet their specific needs.

With the principle of "Quality Parts, Customers Priority, Honest Operation, and Considerate Service", our business mainly focus on the distribution of electronic components. Line cards we deal with include Microchip, ALPS, ROHM, Xilinx, Pulse, ON, Everlight and Freescale. Main products comprise IC, Modules, Potentiometer, IC Socket, Relay, Connector. Our parts cover such applications as commercial, industrial, and automotives areas.

We are looking forward to setting up business relationship with you and hope to provide you with the best service and solution. Let us make a better world for our industry!

No hassle warranty

NO HASSL

No waiting.

No shipping charges.

Our commitment to high-quality products and customer service is demonstrated by our industry exclusive "No Hassle" warranty. In the unlikely event that an Amprobe Test Tool requires warranty service, any of our local dealers are authorized to replace it, on the spot.

(note: \$500 MSLP limit)

PM55A Digital Multimeter

The compact precision DMM with AutoTect[™] and VolTect[™]

The ultimate shirt-pocket sized meter. Only 3/8" thick and less than 3 oz in weight with full functionality offering ac and dc voltage to 600 V, AC and DC current to 2000 μ A, resistance to 6 Megohm, capacitance to 2000 μ F, frequency to 30 kHz, diode test and continuity w/beeper. It also offers VolTect,TM a built-in, non-contact voltage detector for AC voltages.

Another key feature is AutoTect,™ which automatically selects between AC voltage, DC voltage or resistance measurement based on the test point to which the leads are connected. Fully autoranging, this meter offers nine different measurement functions plus features that are usually found in much more expensive and larger meters. The digital display is oversized with large digits and unit icons in the display. In spite of its size, this meter is fully safety rated to CAT III 300 V, CAT II 600 V and is UL approved.

No other meter this small offers such performance and high safety ratings. Includes a silicone protective holster, deluxe carrying case, attached test leads, battery and manual.

- AutoTect[™] feature directs the meter to know if it is measuring AC volts, DC volts or resistance with no user interface
- The AutoTect[™] feature has lower input impedance which zeros out ghost voltages
- Measures AC/DC current, capacitance, frequency, continuity with beeper plus includes Voltect,[™] a built-in, non-contact voltage detector
- Large oversize digital display
- Protective silicon holster included, attached test leads, battery, deluxe carry case and manual
- One-year, no-hassle warranty

PM55A Digital Multimeter

Data Sheet

General Specifications

Display and update rate	3-5/6 digits 6000 counts; Updates 5 per second nominal			
Operating temperature	0 °C - 40 °C			
Relative humidity	Max. 80 % R.H. up to 31 °C, decreasing linearly to 50 % R.H. at 40 °C			
Altitude	Operating below 2000 m			
Storage temperature	-20 °C ~ 60 °C, < 80 % R.H. (with battery removed)			
Temperature coefficient	Nominal 0.15 x (specified accuracy)/ °C @ (0 °C ~ 18 °C or 28 °C ~ 40 °C), or otherwise specified			
Sensing	Average sensing			
Overload protection	600 V DC and V AC RMS			
Low battery	Below approx. 2.4 V			
Power supply	3 V standard button battery x 1 (IEC-CR2032; ANSI-NEDA-5004LC)			
Power consumption (typical)	6 mA for voltage functions on Auto-V W position & 2 mA for other functions			
Automatic Power Off				
(APO) timing	Idle for 3 minutes			
APO consumption (typical)	2.2 μΑ			
Dimension	L 113 mm x W 53 mm x H 10.2 mm (4.4 x 2.1 x 0.4 in)			
Weight	Approx. 78 gm (3 oz)			
Special features	AutoTect™ (Automatic V & Ω selection) and VolTect™ (Electric Field Detection)			
Agency approvals	CE, cULus			
Safety	Meets IEC61010-1, UL61010B-1, CAN/CSA-C22.2 No. 1010.1-92, CAT II 600 V and CAT III 300 V,			
	Pollution Degree 2, Class 2			
E.M.C.	Meets EN61326
