CAD-Connect™ Labeling Software

CAD-Connect™ Labeling Software is part of the comprehensive offering Panduit provides for professional wire and cable identification to meet the application needs of data centers, connected buildings, and industrial automation infrastructures. Generate labels quickly and easily within CAD programs such as AutoCAD* or Visio^ using CAD-Connect™ Labeling Software. This program combines the power of an innovative wizard interview process and Easy-Mark™ Labeling Software to capture and organize identifiers from electronic CAD files to automatically create and print labels. CAD-Connect™ eliminates the steps and time spent manually copying software identifiers into labeling software.

Key Features

Benefits

Generate and print labels directly from CAD	Save time (up to 75%) and reduce errors by utilizing identifiers previously created in CAD files to eliminate manual entry of data into labeling software
Wizard interview process	Facilitates quick and easy organization of identifiers from CAD for printing within Easy-Mark™ Labeling Software
Compatible with both AutoCAD * and Visio^	One software tool accommodates the industry's most common CAD programs providing convenience and flexibility – compatible with AutoCAD* 2008 and newer versions, and Visio^ 2002 and newer versions
Exports to alternative formats such as EXCEL^ (.XLS) or text (.CSV) files	Easily capture and organize CAD data for future use and documentation

System Requirements

- 64 MB hard drive space and 64 MB RAM (256 MB RAM recommended)
- Mouse or compatible pointing device
- WINDOWS^ 2000, XP, Vista, or Windows 7
- CD-ROM Drive

Ordering Information

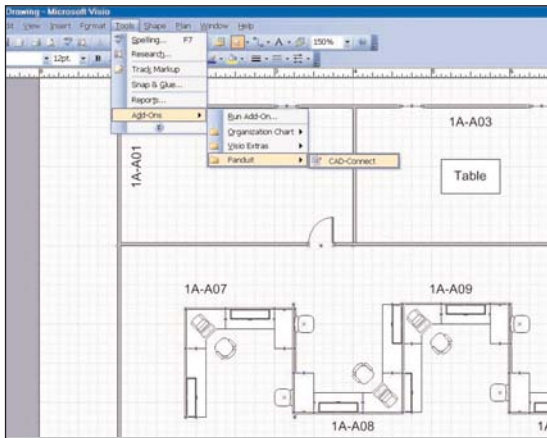

Part Number	Description	Std. Pkg. Qty.	Std. Ctn. Qty.
PROG-CCCD	CAD-Connect™ Labeling Software, including Easy-Mark™ Labeling Software CD-ROM	1	10
