## Fairy Lights - Green (2.5m)

PRT-14504 **RoHS**

Affectionately dubbed “Fairy Lights” for their similar appearance, these LED string lights are a great way to light up any project with no soldering required. The insulated strings come in 2.5m lengths with one green LED every 10cm for a total of 25 LEDs. Unlike previous iterations, these LED strings come with a pre-attached battery pack with a power switch and two CR2032 batteries already installed. You can still cut the string connecting the power to each LED to form custom lengths and let your creativity run wild.

- Operating Voltage: 3VDC
- LED Color: Green
- 25 LEDs
- String Length: 2.5m
- Battery Holder Dimensions: 51mm x 23mm x 7mm
