## : ©hipsmall

Chipsmall Limited consists of a professional team with an average of over 10 year of expertise in the distribution of electronic components. Based in Hongkong, we have already established firm and mutual-benefit business relationships with customers from,Europe,America and south Asia,supplying obsolete and hard-to-find components to meet their specific needs.

With the principle of "Quality Parts,Customers Priority,Honest Operation, and Considerate Service",our business mainly focus on the distribution of electronic components. Line cards we deal with include Microchip,ALPS,ROHM,Xilinx,Pulse,ON,Everlight and Freescale. Main products comprise IC,Modules,Potentiometer,IC Socket,Relay,Connector.Our parts cover such applications as commercial,industrial, and automotives areas.

We are looking forward to setting up business relationship with you and hope to provide you with the best service and solution. Let us make a better world for our industry!

## Compact Internal Fitting Vertical

RSF50 series are compact vertically mounted devices with a single switch point. Mounting is either from the top or bottom of a tank from the inside, so requires access to the inside of the tank.

Typical applications include vending machines, printing systems and chemical dosing equipment.

These can be manufactured in a variety of plastics, with a choice of gasket materials, to suit most commonly used liquids.

The switch action may be reversed by removing the float, inverting it, then refitting to the stem.

Available with M12 x 1.75 or 1/8"NPT mounting threads.

Cynergy3 Components Ltd.

- Compact design
- Available in Nylon, Polypropylene, PPS \& PVDF
- 25VA \& 100VA versions
- Many variants are UL recognised components File No. E171218
- WRAS approved versions
- 1/8" NPT and M12 thread options

| Technical Specification | RSF53 | RSF54 | RSF58 | RSF56 | RSF57 |
| :--- | :--- | :---: | :---: | :---: | :---: |
| Material | Nylon | Polypropylene | Polypropylene | Polyphenylene | Polyvinylidene |
|  |  | WRAS approved | UL approved | Sulphide (PPS) | Fluoride (PVDF) |
| Colour |  | Black | Opaque | White | Grey |

| Electrical Specification |  | 25W (Y code) | 100W (H code) |
| :--- | :---: | :---: | :---: |
| Contact Form | N/0 (N/C) | N/0 (N/C) |  |
| Switching Power Max | VA | 25 | 100 |
| Switching Voltage AC Max | V | 240 | 300 |
| Switching Voltage DC Max | V | 120 | 300 |
| Switching Current Max | A | 0.6 | 1 |
