Security and Stands

Keep your notebook safe
and secure with Tripp Lite's

Notebook Combo Locks

featuring 3- and 4-digit

combinations and

theft-resistant 6 ft. cords.

Plus, Tripp Lite offers

several different notebook

stands designed to

increase comfort and

cool your system during

extended use.

Notebook Combo Lock with Alarm

Model: SEC4000A

This reliable combo lock alerts you to potential theft with an internal vibration sensor and audible alarm.

- 3-digit resettable combination
- Convenient design requires no key or tools to install in notebook lock slot
- 6 ft., theft-resistant coiled cable offers added security and versatility

Notebook Combo Lock

Model: SEC4001C

Secure your notebook to any stationary object with this convenient and rugged combo lock.

- 4-digit resettable combination
- Convenient design requires no key or tools to install in notebook lock slot
- 6 ft., theft-resistant cable offers added security and versatility

Portable Notebook Stand

Model: NS2000SR

Keep your notebook cool and running at its optimal level with this stand featuring a built-in USB-powered cooling fan.

- Aluminum construction provides maximum heat dissipation
- Built-in USB 2.0 port accommodates a variety of USB peripherals
- Collapsible rubber feet provides 10° and 13° angle adjustments and holds a notebook firmly in place while working

Notebook Station

Model: NS2001SR

Multiple-angle height adjustment and a soft gel wrist rest make Tripp Lite's Notebook Station not only an effective cooling device, but also a versatile stand designed to maximize comfort.

- Built-in USB cooling fan expedites the cooling process
- Built-in USB 2.0 port accommodates a variety of USB peripherals

Articulating Notebook Arm

Model: NS2002BK

This sturdy articulating notebook arm accommodates any desired working position.

- Extended swivel arm provides convenient positioning for maximum comfort during use
- Adjustable stand delivers optimal screen viewing and typing comfort with both height and tilt adjustments.
- Sliding, rotating design allows unit to be stored out of the way when not in use
- Anti-slip feet ensure your notebook won't move during use

Notebook Cooling Pad

Model: NC2003SR

This portable model includes two built-in cooling fans for reducing the internal heat of hot-running notebooks.

- 2 built-in cooling fans dissipate heat away from the bottom of your notebook and cool down the overall temperature of your system
- USB-powered for use with any computer USB port
- Compact size offers easier portability while traveling
