TAGH27

Article number: 557-00031

These labels are particularly suitable for permanent identification on flat surfaces for production equipment or IT devices. Using unique numbering, graphics, or barcodes the labels give excellent asset identification possibilities. The extensive range has sizes to suit most needs.

For Flat Surfaces Only

Print

Application Method	Each roll of labels is loaded onto a reusable spindle. Simply drop the label roll into the printer, pull the labels over the top (like loading film into a camera) and close the cover. No need to mechanically feed and align the labels.
