Slice Craft Knife

TOL-14508

The Slice Craft Knife is a high-end hobby knife perfect for precision cutting, scraping and handling. Its ceramic safety blade requires no oil coating and is non-sparking, chemically inert, safe to 1600 degrees Celsius and rust-proof, making it perfect not only for craft and hobby projects but also for electronics! With a textured grip for superior control, this precision knife allows the user to make accurate, delicate cuts. Its ambidextrous no-roll design is weighted for balance and stability.

The Slice Craft Knife includes one **straight ceramic safety blade**. The blades used in the Slice Craft Knife are also fully replaceable for any of your existing hobby or X-ACTO® knives.

Includes

- 1x Slice No-roll Handle
- 1x Straight Blade

Features

- Cutting Depth: 16.3 +/-0.5mm
- No-roll handle with cross-hatch grip
- Compatible blades: **Straight** & **Curved**
- Finger-friendly edge stays sharp 11x longer
- Reduces injuries, lowers costs
- Non-sparking, non-conductive blade
- Rust-free blade
- Ambidextrous design
- No-tool blade change
- Fewer blade changes = fewer injuries
