USB 2.0 Panel Mount Cable, 5-Pin Motherboard IDC to USB Type-A (F/F), 3 ft.

MODEL NUMBER: **U024-003-5P-PM**

Connects your computer's motherboard to a panel-mounted USB-A port that can be installed in a computer, booth, kiosk or podium.

Description

The U024-003-5P-PM USB 2.0 Hi-Speed Panel Mount Cable connects to a computer's motherboard to add a panel-mounted USB Type-A port. In addition to the front panel of a computer, the USB-A port can be installed in a trade show booth, retail kiosk or teacher's or lecturer's podium, allowing you to conveniently connect a thumb drive or other USB device. The PCB header terminates on almost any five-pin motherboard.

The three-foot cable supports data transfer rates up to 480 Mbps and is backward compatible with previous USB generations. Gold-plated contacts resist corrosion and ensure optimal signal transfer. Premium double-shielded cables with tinned copper braid and aluminum Mylar foil feature twisted 28 AWG data lines and 24 AWG power lines. PVC jacket with molded connectors and integral strain relief provides durability and long life. Mounting screws included.

Features

Adds a Panel-Mounted USB-A Port

- Allows convenient USB access from a trade show booth, retail kiosk or lecturer's podium
- 5-pin PCB header terminates on computer's motherboard
- Supports data transfer speeds up to 480 Mbps
- Backward compatible with previous USB generations

Premium Construction for Premium Performance

- Corrosion-resistant gold-plated contacts for optimal signal transfer
- Fully molded construction with strain relief for durability and long life

Highlights

- Supports data transfer speeds up to 480 Mbps
- 5-pin PCB header connects to computer's motherboard
- USB-A port attaches with included screws
- Corrosion-resistant gold-plated contacts
- Backward compatible with previous USB generations

System Requirements

- Computer with 5-pin motherboard connector

Package Includes

- U024-003-5P-PM USB 2.0 Hi-Speed Panel Mount Cable, 3 ft.
- (2) Mounting screws

- Flexible PVC jacket easy to install in tight spaces
- Double shielding with tinned copper braid, aluminum Mylar foil and twisted 28/24 AWG data/power lines
- Mounting screws included
