# Chipsmall

Chipsmall Limited consists of a professional team with an average of over 10 year of expertise in the distribution of electronic components. Based in Hongkong, we have already established firm and mutual-benefit business relationships with customers from,Europe,America and south Asia,supplying obsolete and hard-to-find components to meet their specific needs.

With the principle of "Quality Parts,Customers Priority,Honest Operation,and Considerate Service",our business mainly focus on the distribution of electronic components. Line cards we deal with include Microchip,ALPS,ROHM,Xilinx,Pulse,ON,Everlight and Freescale. Main products comprise IC,Modules,Potentiometer,IC Socket,Relay,Connector.Our parts cover such applications as commercial,industrial, and automotives areas.

We are looking forward to setting up business relationship with you and hope to provide you with the best service and solution. Let us make a better world for our industry!

# USB-C to DVI Adapter, USB 3.1, Thunderbolt 3, 1080p - M/F, Black

MODEL NUMBER: **U444-06N-DVIBAM**

USB-C to DVI cable connects your DVI display to the USB-C or Thunderbolt 3 port on your laptop, MacBook or Chromebook.

## Features

**Connects a DVI Display to Your USB-C or Thunderbolt 3 Device**
This USB to DVI adapter helps you transmit video from your tablet, laptop, Chromebook, MacBook, smartphone or PC to a DVI-enabled television, monitor or projector. It's ideal for giving video presentations in conference rooms and classrooms, editing multiple documents on a larger screen or streaming video for digital signage in crystal-clear 1080p.

**Supports USB DisplayPort Alternate Mode for Transmitting Video Signals**
With a source device that also supports USB DisplayPort Alt Mode, you can extend video from your primary display to another, duplicate the same video on both displays, or change the second display to your primary.

**Transmits Crystal-Clear 1080p Video to a DVI Display**
To send high-definition video to a DVI television, projector or monitor, connect the DVI port to the display using a DVI cable (sold separately). The DVI port supports HD video resolutions up to 1920 x 1080 (1080p) at 60 Hz, 36-bit Deep Color (12 bits per channel) and DVI digital transfer rates up to 6.75 Gbps (2.25 Gbps per channel). The U444-06N-DVIBAM is also compatible with non-1080p DVI displays.

**Built-In USB-C Cable Connects in Either Direction**
Connect the reversible USB-C plug to your source device's USB-C or Thunderbolt 3 port. The fumble-free USB-C plug connects in either direction to ensure fast, easy connection every time.

**Ready to Use Right Out of the Package**
The plug-and-play Thunderbolt 3 and USB-C to DVI adapter requires no software, drivers or external power. It's about half the size of a credit card, making it easy to carry in a pocket, briefcase or laptop bag for connecting on the go.

**3-Year Warranty and Environmentally Responsible Design**
The U444-06N-DVIBAM comes with a 3-year warranty. It's manufactured in compliance with strict RoHS specifications, reflecting Tripp Lite's commitment to environmental responsibility.

## Highlights

- Transmits video signals from sources supporting USB DisplayPort Alt Mode
- Delivers HD picture quality at resolutions up to 1920 x 1080 (1080p) @ 60 Hz
- Supports USB 3.1 Gen 1 speeds up to 5 Gbps to ensure fast data transfers
- Reversible USB-C plug connects in either direction for immediate no-fuss use
- Easy installation with plug-and-play operation—no software required

## Applications

- Play 1080p video from your laptop or PC on a DVI display
- Give a video presentation at a meeting, training session, conference or trade show
- Multitask in two or more applications on multiple displays
- Add a second monitor and make it your primary monitor
- Edit large documents on two different monitors

## System Requirements

- Source device with USB-C or Thunderbolt 3 port that supports USB DisplayPort Alternate Mode
- Display device with DVI input

## Package Includes

- U444-06N-DVIBAM USB-C to DVI Adapter, USB 3.1, Thunderbolt 3, 1080p - M/F, Black
- Quick Start Guide
