Reversible USB Cables

FINALLY! A Simple USB Connection!

Stop fumbling around with your computer trying to plug in USB devices. Tripp Lite's reversible USB 2.0 cables take the guesswork out of USB connections. Unlike traditional USB cables that can be attached only one way, these cables feature a uniquely designed reversible type A connector that plugs into a USB port in either direction, making connections easier and faster. Available in a variety of lengths and connector types, these cables are perfect for connecting scanners, printers, external hard drives, MP3 players, smartphones, digital cameras and other USB devices.

Key Features

- Reversible type A connector allows plugging in either direction
- Support transfer rates of up to 480 Mbps
- Available in lengths of up to 10 feet
- Available with mini and micro connector types
- Select models feature angled connectors for maximum flexibility in tight spaces and hard-to-reach places
- Backward compatible with older USB 1.1 devices
- RoHS-compliant designs with lifetime warranties

Plug It In Either Way!

Reversible USB Cables

Model Number	Description
Reversible USB A (Male) to Reversible USB A (Male)	
UR020-003	3 ft., black
